GLOBAL VISION
TAILORED

ACTION

OUR MISSIONS

We are a manufacturer & distributor of electronic components offering great flexibility and working with reliable suppliers in order to offer a global solution.

With a highly efficient logistics system and extensive storage capacity, we quickly meet our customers' demands.

Our expertise also allows us to support our clients in their dedicated and specific projects, providing tailor-made solutions that meet their unique needs.

HISTORY

1992

AE SERVICE
establishment

2000

Acquisition of **SORHODIS**

SORHODIS
